1.	We would like to participate in the subject project's tendering process and thus we kindly request you to provide its TORs/tender documents in reply to this email.	Please note that at the first stage of the restricted procedure, relevant information for potential candidates is provided in the <i>Contact Notice</i> and <i>Additional information about the Contract Notice</i> . Only shortlisted candidates will be provided with the tender dossier and invited to submit detailed tenders for this contract.
2.	What kind of a license(s) may be required from a consulting company interested in to participate in this EoI, since per Yellow FIDIC the Contractor is obliged to make Design and per Yellow FIDIC the Design is provided by Employer. Is it expected from Consultant (Engineer) to make design services, revision of designs or verification of compliance between Design and Employer's Requirements? In case of verification of compliance please confirm in which case is required for consulting company to possess license(s) per Laws and/or Rulebooks?	<p>Please note that requirements for participation in this EoI are defined in Additional information about the Contract Notice for "Supervision of municipal wastewater collection and treatment system in Kraljevo" and that license(s) of a consulting company are not required in this stage of procurement procedures.</p> <p>Detailed tasks and obligations expected from Consultant (Engineer) will be defined in the ToR for "Supervision of municipal wastewater collection and treatment system in Kraljevo".</p>
3.	You are kindly requested to clarify if wording "Provided services of supervision shall be over the works contract under the FIDIC conditions of contract" consider that one supervision contract over several works contracts is evaluated as one reference, or each works contract is particular reference.	Regardless of the number of supervision contracts, each works contract (found eligible under criterion 18.3) will be evaluated as a separate reference.
