V.2.5) Information about subcontracting

The contract is likely to be subcontracted: yes
Short description of the part of the contract to be subcontracted:

The Consultant intends to request to the Contracting Authority the authorization to subcontract a specialized research agency to provide expertise during the implementation of the activities within the Outcome 3: Improved public awareness and knowledge in the region about waste management practices in line with the national and EU requirements. More specifically, as required by the General Conditions for Service Contracts for External Actions Financed by the European Union or by the European Development Fund, the authorization request will indicate the following elements of the contract to be subcontracted:

- Activity 3.1: Baseline assessment of the current level of public awareness and opinions about waste management in the region, and
- Activity 3.5: Follow-up public opinion survey and report on the implemented actions and their effects on public opinion.
