QUESTIONS AND ANSWERS No. 1

Technical Assistance and Supervision for Installation of Equipment and Integration of Navigation Monitoring System on the Danube River

Publication ref.: EuropeAid/135643/IH/SER/RS
Tender no: 13SER01/08/51

No.	Question	Answer
1.	The RIS meaning in relation to this tender, based on my understanding of the subject, should be a River Information Service and not a River Information System.	Whenever referring to RIS (e.g. RIS System, RIS standards), Contract Notice refers to River Information Services.
